91st

ANNIVERSARY

Holiday Campaign

The mission of the Marine Toys for Tots Holiday Program is to collect new, unwrapped toys, books, and other gifts and distribute them to less fortunate children at Christmastime.

Local campaigns are conducted in over 830 communities in all 50 states, the District of Columbia, Puerto Rico, and the Virgin Islands.

Marines and volunteers collect and distribute toys, books, and other gifts to children in need in local communities from 1 October- 24 December.

The donated gifts are distributed to children in need to ensure they have at least one present to open on Christmas morning.

Community members drop new, unwrapped toys in collection boxes in their local area. The toys are then sorted by age and gender and prepared for distribution.

Coordinators, with the assistance of volunteers and local organizations, distribute the donated gifts to children in need throughout their local communities.

National Corporate Sponsors and Donors support the Program by making sizeable donations or conducting marketing initiatives that give significant visibility to the Program and national and/or local levels.

Local businesses play a key role during campaign season by providing warehouse space; placing toy collection boxes in their business establishments; providing vehicles to gather donated toys from collection bins; sponsoring local Toys for Tots events; and promoting local campaign efforts.

In 2022, the Marine Toys for Tots Program distributed over **24.4 million** toys, books, and games to nearly **10 million** children in need.

2023 GRAND MARSHAL

The Hollywood Christmas Parade proudly presents legendary celebrities who make a positive difference in our lives. It is our pleasure to highlight their spectacular achievements this holiday season.

Col. Paris D. Davis

C

olonel Paris D. Davis earlier this year on March 3, 2023 was the recipient of the Medal of Honor, which was bestowed upon him by President Joe Biden in The White House. President Biden said, "This is an incredible man. Today, after 58 years after he bore the battle, we honor a true hero of our nation. The Medal of

Honor, created during (Abraham) Lincoln's presidency, is our country's highest military award, recognizing gallantry above and beyond the call of duty."

Colonel Davis was awarded the Medal of Honor as a member of the Army's elite Green Berets for his heroic acts during the Vietnam War on June 18, 1965 when Davis was leading a group of South Vietnamese forces and American soldiers during a nighttime raid when the Viet Cong staged a counterattack. Even after hours of fighting, Davis ignored an order to evacuate and instead rescued several of his injured soldiers on the battlefield, while himself suffering several gunshot wounds.

President Biden said during his presentation of the Medal of Honor upon Davis: "Just as the story of Paris Davis did not begin on June 18, 1965, it does not end there either. Captain Davis went on to become Colonel Davis, serving more than 25 years in our military and earning a PhD on top of that. At the time Captain Davis returned from war, the country was still battling segregation. And although the men who

were with him on that June day immediately nominated Captain Davis to receive the Medal of Honor, somehow the paperwork was never processed and not just once, but twice. He never stopped believing in the founding vision of our nation....one where all women and men are created equal."

Paris D. Davis, now 84, who was born on May 13, 1939 in Cleveland, OH, and is now a retired United States Army Officer. He was commissioned as a Reserve Component Officer on June 1, 1959, and received Airborne and Ranger qualifications in 1960, and Special Forces qualification in 1962. His initial overseas tours included Korea, Vietnam and Okinawa, Japan. He was deployed in the Vietnam War in 1962 and 1965, where he was promoted to Captain as detachment commander with the 5th Special Forces Group (Airborne), 1st Special Forces making him one of the first African American Special Forces officers during the civil rights movement.

Colonel Davis received a Masters degree in Public Affairs from Southern Illinois University in 1973, and a Masters degree and Ph.D. in Public Administration from Northern Virginia University in 1977. After retiring from military service on July 30, 1985, Davis published the *Metro Herald* newspaper for 30 years in Alexandria, VA, where he now resides. In 2019, Davis was inducted into the U.S. Army Ranger Hall of Fame. Davis is the proud father of three children, and a grandfather as well.
